## Intalation

Posted by Cannot redeclare domxml\_new\_doc() - 2008/08/31 04:12

---

Hi my name is Max and after I populate the tables, in this adress: <http://localhost/limesurvey/admin/admin.php> the following message appear:

Fatal error: Cannot redeclare domxml\_new\_doc() in C:\xampp\htdocs\limesurvey\admin\classes\core\domxml-php4-to-php5.php on line 41

Thanks:woohoo:
